

# Summer Nights

BOYS: Summer lovin', had me a blast  
**GIRLS: Summer lovin', happened so fast**  
BOYS: Met a girl, crazy for me  
**GIRLS: Met a boy, cute as can be**  
ALL: Summer days, drifting away,  
To oh, oh those summer nights.  
Well-a, well-a, well-a, oh.  
Tell me more, tell me more  
Did you feel like a star?  
Tell me more, tell me more  
Like, does he have a car?

BOYS: She swam by me, she got the cramp  
**GIRLS: He ran by me, got my suit damp**  
BOYS: Saved her life, she nearly drowned  
**GIRLS: He showed off, splashing around**  
ALL: Summer sun, something's begun,  
but, oh, oh those summer nights  
Well-a, well-a, well-a, oh.  
Tell me more, tell me more  
Was it love at first sight?  
Tell me more, tell me more  
Do you think it feels right?

BOYS: Took her bowling in the arcade  
**GIRLS: We went strolling, drank lemonade**  
BOYS: We told jokes under the dock  
**GIRLS: We stayed out 'til ten o'clock**  
ALL: Summer fling don't mean a thing,  
But oh, oh those summer nights  
Tell me more, tell me more  
But you don't have to brag  
Tell me more, tell me more  
'Cause he sounds like a drag

Shuda bop bop, shuda bop bop  
Shuda bop bop, shuda bop bop

**GIRLS:** He got friendly holding my hand  
**BOYS:** She got friendly out on the sand  
**GIRLS:** I was sweet, just turned eighteen,  
**BOYS:** She was sharp, like you've never seen  
**ALL:** Summer heat, boy and girl meet,  
But oh, oh those summer nights  
Tell me more, tell me more  
How much dough did he spend?  
Tell me more, tell me more  
Could she get me a friend?

**GIRLS:** It turned colder, that's where it ends  
**BOYS:** So I told her we'd still be friends,  
**GIRLS:** Then we made our true love vow,  
**BOYS:** Wonder what she's doing now  
**ALL:** Summer dreams ripped at the seams,  
But oh, those summer nights  
Tell me more, tell me more.
