LAMDA Speech & Drama classes are drama lessons leading to exams set by the London Academy of Music & Dramatic Art. These exams are designed to develop the skills necessary to communicate dramatic text to an audience. Learners who prepare themselves appropriately will develop interpretative skills, technical skills and knowledge of the performance process. It is hoped students will grow in vocal and physical confidence, developing self-expression, and learn to work creatively and sympathetically with others. The

aim is for the students to acquire knowledge and skills whilst having fun in a relaxed and positive atmosphere. Westbourne House is a Private Registered Centre for LAMDA which means that the children will be able to take their examinations here at school. **100% commitment** is required for LAMDA and your support in ensuring this is much appreciated

Please be aware of the following IMPORTANT points when booking a club for your child:

- *Once you have signed up for a club and your child has attended at least one session, you are financially committed to that club for the term. If your child is ill, you will still be charged for the missed session. If the club leader is ill, they will either offer an additional session or amend their invoice accordingly. Payment for After School Activities will be added to your school bill at the end of term.*
- *If we don't have enough pupils signed up to make a club viable, it will not go ahead.*
- *All clubs have a limited number of places and are allocated on first-come, first-served basis.*
