

## Westbourne House School Revision – 8S History

### **The Exams will consist of:**

A CASE paper or a past paper from the school you are sitting for.

### **Equipment you will need for the exam:**

Fountain pen, spare ink and a highlighter.

#### **NOTES/TIPS:**

The CASE paper is made up of:

- A source section on a topic you have not studied. This will test your ability to understand and analyse the sources
- An essay section – you will be able to choose between an essay on an aspect of Industrial Revolution OR from the General Topics list

Papers from schools who do not use CASE vary in style, but generally follow a similar pattern.
