

The Westbourne House Sporting Philosophy

We aim to create an environment and fixture programme where:

- ➤ We promote sport for all whilst striving for excellence
- ➤ Pupils are both stretched and supported to fulfil their potential and build resilience
- ➤ Sport is a positive and enjoyable experience which helps to build confidence
- ➤ We promote fairplay, teamwork, sportsmanship and develop valuable life skills
- ➤ Pupils can compete at a competitive level appropriate for them
- > We focus on the process not just the outcome
- ➤ We are humble in victory and gracious in defeat and use both winning and losing as a learning opportunity
- We continually assess and re-assess pupils' progress through verbal feedback, match reports and school reports
