Welcome from Westbourne House School

I am sure everyone will join me in wishing all our participants today the best of luck.

To the players: play fairly, according to the spirit and letter of the rules. Support and encourage your teammates at all times. Play hard and never be beaten because of lack of effort. Respect your coaches, referees, and your opponents; win or lose. Give 100% and you can walk off the field with nothing to regret and no reason to feel disappointed.

To the parents: have fun; it's what we're all here for! Celebrate effort and good play from both sides. Always respect the referee and coaches and encourage players to do the same. When players make mistakes, offer them encouragement to try again next time. We only do positive at Westbourne House.

Football is our national game, one that ignites and fascinates millions of people across the world, and today is another opportunity for these boys to be part of this story. Remember football should be fun; don't dwell on mistakes or over celebrate success. Be the best you can be and, most importantly, enjoy yourselves.

Welcome from IAPS

First and foremost, sport is about participation and enjoyment. Sport is an incredibly important part of the personal development of children. Thanks to our eager and enthusiastic membership, over 22,000 children take part in the IAPS Sport programme every year. With 23 sports to choose from and over 170 events organised annually, there are plenty of opportunities for our member schools to get involved in.

The 2019-2020 programme was hit by the coronavirus pandemic however now that we are back, the 2020-2021 programme will be bigger and better than ever before.

To start with we have a brand-new website and sports app, both feature events, results, guidance and much more. You can visit our website <https://iaps.uk/sport.html> and download the app on Apple and Android phones.

Whether this is your first time at an IAPS event, or you have been entering them for many years, we hope you enjoy the competition and good luck!

Safeguarding

IAPS believes that the welfare and wellbeing of all children (young people under the age of 18) and adults at risk attending an IAPS event is of the highest concern. All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults who are engaged with the delivery of sports events to fully comply with safeguarding procedures as laid out in the IAPS Safeguarding Policy and Procedures, and the KCSiE September 2018 document (these are available on our website: sport.iaps.uk/safeguarding).

IAPS expects all coaches present to be DBS checked and have received relevant safeguarding training at their school/club.

IAPS expects that all adults attending events have read the IAPS code of conduct, photo policy & anti bullying policy.

These are available to read and download from our website

<https://sport.iaps.uk/safeguarding>

If you have any safeguarding concerns today, please don't hesitate to speak to Fran Hide, Emily Connell or a member of the organising team.

Code of Conduct for Spectators

Your school is a member of IAPS, the Independent Association of Prep Schools. IAPS is a school's association with 670 member schools, both in the UK and internationally. IAPS was founded in 1893 and for over 120+ years we have been committed to supporting head teachers in their roles as leaders of the top prep and independent junior schools in the country. Membership of IAPS says a great deal about the quality of the school you send your child to for their education.

We provide services to our members offering support and guidance to head teachers and professional training for staff. We also provide opportunities for children to take part in sport and art competitions. We are not a private company solely engaged in running sports competitions.

The annual sports programme offers a range of team and individual events for children who attend IAPS schools. The children are able to compete in a fun, safe and competitive environment. During the 2018-2019 academic year, 160 events were organised, in 23 sports, with 22,000 children participating. All organisers and qualified officials are passionate volunteers, who help us to deliver the events in line with National Governing Body rules and regulations.

Where permitted, we are delighted to welcome spectators to attend IAPS events to support the children. Our agreed code of conduct highlights IAPS's expectations of spectators, to ensure that all events are enjoyable and fair for the children involved, and we hope you would support us by reading and applying the following code;

1. Be a positive role model and lead by example; children are involved in sport for their enjoyment and without undue spectator pressure.
2. Encourage children to play by the rules.
3. Respect the officials and their decisions at all times.
4. Respect the coaches and their decisions. They give their time, energy and experience to coach your children.
5. Refrain from verbal or indeed physical abuse towards players, officials and fellow spectators.
6. Be friendly and respectful to the opposition.
7. Teach children that effort and teamwork are as important as victory so that the result of each game is accepted without undue disappointment.
8. Turn defeat into victory by helping children work towards skill improvement and a positive sporting attitude.
9. Be aware that IAPS events have comprehensive safeguarding policies and procedures, available on our website: <https://sport.iaps.uk/safeguarding>
10. Relax and enjoy the event.
IAPS wants all the competitions it runs to pass without any negative incidents. Excitement and emotion can run high at the events, not least amongst the supporters.

Despite this, unpleasant and inappropriate behaviour is very rarely in evidence at our events but you should be aware that IAPS retains the right to ask you to leave the event, if you fail to comply with the code of conduct.
