

Westbourne
House School
CHICHESTER

IT Network Manager

Required as soon as possible

The Role

We are seeking to appoint an IT Network Manager to manage and support the ICT provision within the School.

This is an exciting time to be joining Westbourne as we look to review the devices used in the classroom. The school currently uses Apple Mac hardware and the children have access to MacBooks for classroom use. There is a main ICT Suite and teaching rooms are equipped with SMART Boards. The Head of ICT is responsible for developing the use of ICT in the classroom.

The School has a Windows domain running on top of VMWare. Knowledge of Apple Profile Manager is essential and experience of using G-Suite would be desirable. Some experience of running Veeam backup would be advantageous, as would knowledge of Fortinet and experience of installation of data points.

The hours will be Monday to Friday, 8.30am to 5pm during term time (34 weeks including INSET days), plus an additional 15 floating days to be worked during the holiday periods.

We can offer:

- Salary in the region of £25,000 per annum
- Pension Scheme
- Use of the school's facilities
- Employee Assistance Programme
- On-site parking

Closing date: 30th July 2020

We reserve the right to interview and offer to a strong candidate prior to the closing date. For this reason, early applications are encouraged.

Please apply by completing the application form. CVs may be attached, but not in place of the application form. Please return completed applications to Robyn Aubrey at hr@westbournehouse.org.

About the School

Westbourne House is situated just to the east of Chichester in beautiful grounds of over 100 acres. There are approximately 350 boys and girls, aged 2½ -13. Most children go on to major Public Schools across the South.

The school enjoys outstanding facilities. Teaching is extremely well resourced with excellent teaching rooms, the majority equipped with interactive whiteboards; there are also sets of laptops which can be booked for class based work. There are rooms for Art, Ceramics, ICT, Design Technology and Food Technology, a separate Science block and Music School, as well as a modern, 300 seat theatre/assembly hall. The School also has a large (30 acre) lake on the north boundary for kayaking.

Academic standards are high, with consistently outstanding Common Entrance results together with an excellent scholarship record; last year no fewer than 36 awards and scholarships to senior schools were won across a range of disciplines, totalling 140 over the last five years.

Westbourne House uses the High Performance Learning philosophy to guide all pupils in becoming good learners. The school believes that all pupils have the potential to perform at the highest level regardless of their current performance level. The Advanced Cognitive Performance Characteristics (ACPs) and Values, Attitudes and Attributes (VAAs) of HPL are the “thinking” and “behaviour” characteristic and these are delivered specifically and systematically throughout the curriculum.

The Music and Drama departments also excel consistently: all children are involved in school productions, a large number are members of school choirs and there are regular concerts.

Saturday school consists of sports matches, as well as optional enrichment activities, such as kayaking and coding.

There is a wide variety of sport on offer, and a large number of teams represent the school most Wednesdays, Thursdays and Saturdays. As well as extensive playing fields, there is a 25-metre swimming pool, dance studio, sports hall, squash courts and a full-sized astro-turf pitch.

There are around 100 boarders, many of whom board for two or three nights in one of seven houses on the school grounds. As of September 2017, the school introduced full time boarding allowing the children to further enjoy the beautiful facilities and grounds the school has to offer.
